

Common Lane Project

Newsletter February 2011

2010 Summary

- First section of the lane resurfaced from Halstock
- 43 Friends (family members), 3 Local Sponsors
- 2 Working Parties in March and November
- Treasure Hunt, Photo Comp., and Brackett's Nature Walk
- Two well supported Public Meetings
- Lane closed to vehicles until Oct 2011

Thank you to everyone. Please support our Plan for this year.

2011 Plan

- To resurface from the Corscombe end – restoring it for walkers, pushchairs, etc.
- Working Parties, 13th March and 10th April, (details to be advised) and more planned.
- Family Events (details in Spring Newsletter), treasure hunts, guided walks etc.
- Grants and Sponsorship campaign for groundwork, leaflets, information boards, etc.
- Collaboration with neighbouring projects, e.g. Broadwindsor Common Water Lane.
- Gaining support to reclassify the Lane to restrict motorised vehicles

A challenging year ahead, but with your help we can do it.

How you can help?

- Support the Working Parties and Events
- Encourage more Friends to join
- Recommend Grants and Sponsors
- Become part of the Project Team

Project Team Update

We are investigating resurfacing options with the DCC (Highways Authority), requesting support from our Local MP (Oliver Letwin), updating our information for more Grants and Sponsors (advised by the DCC), establishing new contacts with neighbouring projects and Team Dorset. Additionally, we have drafted a new information leaflet, produced a guide map, Halstock Common Room information pack and have revised our Project Plan.
