**Tuesday Club**

There were not so many of us at the September meeting, for various reasons. This was a shame as we had a very entertaining afternoon courtesy of Richard Collier giving us his talk and slideshow of his Thailand Adventure.

There is a change of date for the Skittles Evening which will take place at Winyards Gap on Wednesday 12<sup>th</sup> October, 7 – 7.30pm. The cost has yet to be decided so the money will be collected on the night.

As most people know I am stepping down as Secretary in October. I have been unable to find someone willing to take over so at our committee meeting in October a decision has to be made about the future of the Club. It will be a sad day, after 18 years, if it has to come to an end. This is likely to be the case unless the situation changes.

There is a speaker booked for November 1<sup>st</sup> – A policemen's life in London by Mr A Cooper. I hope this will be able to take place! Heather 891538

### **Ladybirds Playgroup - Halstock Village Fete**

A big thank you to all who helped at Halstock Village Fete, a 'special thank you' to Nick who put up the Gazebo in the pouring rain, to David for bringing all the equipment to the Village Hall, and to Emma Harris who came to our rescue to do the face painting and not forgetting our little helpers the snails. We all raised £104.00.

We were fortunate to only have a couple of rain bursts, the rest of the day we enjoyed lovely warm sunshine. Very popular were the tattoos and the small face painting designs - Emma

Harris designed a little board, which displayed a choice of Tractors, Love Hearts, Bees, Flowers, Handbags and many more designs. The snail racing benefited being close to the bar, where Jason convinced many beer consumers to part with a pound and race a snail.

Ladybirds Playgroup and Forest School at  
Corscombe Village Hall.

Tuesday - Thursday 9.15am - 1.15pm.

Please Note our Drop in  
Parent, Baby and Toddler Group has moved  
to Tuesdays 10am - 12pm.

### **Ladybirds Playgroup**

Both children and staff are now settled back into the playgroup and Forest School routines, we were delighted to note how quickly they became old hands at separating from their parents and remembering to share the toys with each other. This term we are continuing our arrangement of meeting at the play park before heading off to the woods on Forest School days. This has proved especially popular with the children who enjoy the opportunity of using all the climbing, sliding and swinging equipment each week. So we are making good use of this lovely community resource.

Staff have set themselves the challenge of working towards two sets of awards this year; a Healthy Early Years scheme as well as an Early Years Rights Respecting Award. We will be looking for help from many different quarters as we work towards ensuring that all our children understand about their rights to a good, happy and healthy life whilst ensuring that they also understand that they must help others to enjoy the same quality of life.

We have been able to purchase some exciting new toys and equipment thanks to some successful fundraising in the summer term. We continue to be so grateful to our fund raising committee members for all their hard work in making this possible, and of course to all the people who support these fund raisers by parting with their hard earned money for our good cause. We are also very lucky to enjoy the generosity of a number of people who donate

gifts of equipment to the group, either as a result of pleas through these pages or just spontaneously. The new giant reading chair in the garden area at the village hall is a real novelty at the moment, we love it! We are also especially gratified to have received a donation of money from grateful parents. Not only do we enjoy being able to use it improve our equipment but it is nice to receive the thanks of satisfied customers.

We have spaces available so if you would like to come and see whether you wish to take up a place for your child at Playgroup and/or Forest sessions at Ladybirds please ring Lindsay on 07845 118177 or 01460 73005.

### **Autumn Term – Keep Fit**

### **George Ellis**

We were very sorry to hear of the death of George Ellis.

Although a builder for many years, specialising in Septic tanks, for a few years he made coffins in his workshop in Corscombe and became an undertaker.

Many years ago George and his wife Winnie were members of the Village Hall Committee and George was a Trustee.

Previously Tony Frost and the Rev. John Stileman had travelled to Salisbury to negotiate buying The Corscombe Church of England School to use as a Village Hall. They secured a very good deal. The school had to close because there were so few children in the village then. So the few children from Corscombe and Halstock were then sent to Stickland's School, Evershot.

Our thoughts are with George's family.

Corscombe Village Hall**

At the AGM we are looking for representatives to be nominated from each of the hall user groups. We are also looking for people willing to serve on the committee so all nominees are welcome. The AGM is followed by a committee meeting where elected offices will be decided.

We are always looking for members to help on the village hall committee. So if you feel you can contribute to the running of Corscombe Village Hall in anyway, why not come along to the meeting and see what we are up to.

It is not an onerous task as we only meet about three times a year. So please come and help us to ensure that the heart of Corscombe community activities is able to keep going and continue to provide a valuable service to the community.

Pattern supplied, as well as wool and needles if required.

Please call Liz on 891898 to find out more.

### **The Friends of St Mary's Church Halstock – an Update**

#### **Our Purpose**

Our Church is without doubt a beautiful and treasured building recognised by its Listed status. And through the hard work of its active membership in all manner of ways in village life, it is a vibrant contributor to the value of our community. A value that transcends to individual households in many different, often unrecognised, ways.

Imagine how you would feel about the village that is Halstock if this building were a dead, forgotten, lifeless ruin crumbling away within a neglected, overgrown churchyard. Would Halstock have any right to call itself a country

village community any more? Would Estate Agent speak then refer to it as "dormitory of Yeovil" and render it indistinguishable ..... along with its property values?

"The Friends of St Mary's" has been set up to ensure that never becomes a prospect. We exist to bring the expressed wishes of the village community for the Church building's future evolution to realisation. In part that means maintaining the integrity of what exists. In the other part, to bring about the improvements that are desired to expand the relevance of the building for wider accessibility than just to our worshipping membership.

Therefore the stakeholders are all within our community in the widest sense and our role is to convince them that what they seek can only be provided if they too contribute what they can.

#### **Our progress**

The Friends of St Mary's is now properly established as a registered Charitable Trust with its own Constitution and elected Officers. We can claim back Gift Aid Tax to leverage up the value of individuals donations. We have been in formal existence now for well over two years. We stand at arms length from the Parochial Church Council and make our own decisions.

Particularly when it comes to what we will dedicate funds to. We do not exist to pay for day to day running costs; we are there to try and ensure maintenance of the fabric and improvement of facilities. These latter costs are the Achilles Heel of the sustainability challenge for parish churches - as our own recent roof repair costs have demonstrated. We don't want our Church to be caught by surprise again.

As at the end of 2010 we are generating a net annual surplus from regular contributions of around £3000, achieved through our "100+ Club" and a few other generous regular contributors. This is good so far, but not enough for where we need to be. There is much to do yet. Shortly the Church undergoes one of its compulsory regular inspections; we know there will be work required on the windows and perhaps the belfry – just to stand still in

maintenance terms. We know the PCC will be calling on us to help.

### **Our Objectives**

To fulfil our purpose for the immediate future we need to increase our reliable annual surplus by 2 to 3 times and a key part of that must come from attracting a wider base of regular contributors within as well as beyond our community. Those who know they value the presence of the Church – and it can be for many reasons - but have yet to donate to help it fulfil their expectations. Were every household to donate just £5 per month we would meet that objective comfortably, but we are well aware that in present times this may not be as easy as it sounds.

Networking is a powerful tool in an endeavour when the help and support of many in a cause is essential. “The Friends” would ask you all to spread the word on our purpose and objectives to any who will listen whenever you can.

Thank you.

Mike Clark  
Chairman, Friends of St Mary’s Halstock

The Reservoir Walk on Saturday 3 September was a great success. About 20 people enjoyed a very interesting and informative walk around the Reservoir in the company of the Ranger, Ivan Tilsley. ### **Halstock Village Fete**

We enjoyed another successful Village Fete on August Bank Holiday Saturday. A heavy shower of rain about an hour before the start looked as though it would dampen proceedings but fortunately it stopped and the sun made an appearance to help dry things out.

This year we filled the field with more stalls and attractions which we hope improved the enjoyment of the visitors. The children’s slide was a new feature which was popular with the younger children as was the Punch & Judy show. I think a few “oldies” enjoyed the Punch & Judy also judging by the number watching!

As usual, the Bric-a-Brac, Book Stall and Silent Auction were all popular as was the Bar, which did its usual good trade. The smell of the Hog Roast, expertly cooked by Phil & Clive at the Bakery (thank you) and served by Nigel, Liz and Matthew, which drifted across the field got everyone’s taste buds twitching!

The Raffle was very popular and our thanks to the ticket sellers and buyers. The winners of the three main prizes were:

1<sup>st</sup> Prize - £100 – Mrs. N. Maidment, Halstock  
2<sup>nd</sup> Prize – Case of wine – Kim Wicks, Halstock  
3<sup>rd</sup> Prize – Meal for two at the Rose & Crown, Trent – Mr. J. Bunce, Templecombe.

To those of you who didn’t win this year, we hope that you will try again and buy more tickets next year!

Thanks to everyone who helped during the year in the planning and all of those who helped either erecting or dismantling the tents and equipment and all of those who ran the stalls and cleared up afterwards. We were very fortunate to be joined this year by several newcomers to the village as well as some people from far away. Hertfordshire was probably the farthest and South Glos coming 2<sup>nd</sup>. Thanks to you all.

Some of our main team of organisers are getting close to their sell by date and so we desperately need more help from some of the younger members of the village, even if only to join the work parties setting up and clearing up both prior to and after the Fete. If you are interested in joining the main committee or just providing some muscle for the work parties, please call Tony on 891312 or Peter on 891822. We are a very friendly group and would welcome you to our team.

Our thanks also to all of you who donated items for the Tombola, Bric-a-Brac, Silent Auction, etc. The unsold Bric-a-Brac has already been collected by Fiveways from the Somerset Work Preparation Services for sale at their own market stalls or to be recycled. Our aim is to ensure that nothing is wasted. "Recycle & Save the World"!!

We still have some monies to come in but it appears that, overall, we will have raised at least as much as last year and possibly a little more. We will provide you with a final accounting in due course, together with a note of which charities and organisations will receive donations.

A great effort by everyone; thank you all – here's to next year. Mark your calendars for August Bank Holiday Saturday 2012 – Halstock Village Fete (and Flower Show)!

### Village Hall News

Today we took delivery of the new cooker for the kitchen and I hope, by the time the October Chimes comes out, it will have been installed. The cooker was due to be delivered some time ago but it was damaged in transit and had to be returned. I would like to say how grateful we are to the 'Pot Luck Luncheon Club' for providing the funds for the cooker; it will make a tremendous improvement to the kitchen.

In the bar there are storage boxes for glasses. Each box is designed to take a specific size of glass and there is now a label on each box stating the type of glass it should contain. A considerable amount of time has been spent on organizing these boxes, so would you please ensure that glasses are put into the correct type of box after washing.

We do have an ongoing problem with waste disposal at the Hall. Many of the caretakers complain about the state of the waste when they put it out on a Wednesday. The rules for hiring the Hall state that all waste must be contained in a black sack and very often caretakers are left with the job of having to fill sacks with rubbish which has been put in the bin loose. This may include stale food and dog mess that has been sitting in the bin for the best part of a week. **Do please have consideration for the caretakers who volunteer to look after the Hall for the benefit of us all.**

#### **Garden party at Wooden Cabbage**

On Sunday 28<sup>th</sup> August 156 people gathered at Wooden Cabbage, the home of Martyn and Susie Lee for a Garden Party to raise funds for St James Church at East Chelborough and the Royal British Legion Poppy Appeal. We were very lucky with the weather and the beautiful setting made for a memorable evening. This year we had a very good display of art by local artists, an auction of items donated by Summer Lodge and a floral painting of unknown value, but who knows it may one day be seen on the Antiques Roadshow. There was, as usual, a raffle and a BBQ run by Robert Lemmey.

This year we were very lucky to have excellent musical entertainment in the form of pipes and drums and I would like to thank Trevor Adams and his fellow musicians who looked wonderful in their full regalia. This really did add a special atmosphere to the evening. The event was a great success and made £1,569 which will be

split between the two charities. Finally I would like to thank Martyn and Susie for providing the wonderful venue which makes this event possible.

"The World Outside" is a play which celebrates the New Forest for its mysteries, secrets and ghosts as well as its oddities, contradictions and quirks as it charts the homecoming of members of a Forest family. The Forest gives as much as it takes away, as does the one member of the family nobody can agree on.

"The World Outside" is a new play written especially for Forest Forge, inspired by research and interviews with people living and working in the region. It explores the ties we have to home, what it is that draws us back to our roots and how far we would compromise our loyalties for the sake of our birthplace. The play is suitable for all ages. As usual there will be a bar and refreshments available on the night.

The Klezmer Quartet paints a picture in music and words of the joys and sorrows of a world that crosses cultural boundaries and continents. Moving audiences swiftly from dancing (which they lead, if the moment demands it) to tears, the

group plays lively and soulful Jewish wedding music, both traditional tunes and new melodies that they have written themselves. Featuring some of the most in-demand performers on the UK Klezmer scene, the LKQ provides a unique combination of artistry and exuberance. Don't miss this very special musical experience. It is highly recommended.
